## **Independent Auditor's Report**

The Board of Directors  
Jesse Lewis Choose Love Movement, Inc.

### **Report on the Financial Statements**

We have audited the accompanying financial statements of Jesse Lewis Choose Love Movement, Inc. (a Connecticut not-for-profit corporation), which comprise the statements of financial position as of December 31, 2020 and 2019, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

### ***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### ***Auditor's Responsibility***

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers the internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

*Opinion*

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Jesse Lewis Choose Love Movement, Inc. as of December 31, 2020 and 2019, and the changes in its net assets and its cash flows, for the years then ended in conformity with accounting principles generally accepted in the United States of America.

**Notes to Financial Statements**

**NOTE 1 - ORGANIZATION**

Jesse Lewis Choose Love Movement, Inc. was founded as a not-for-profit organization incorporated on January 29, 2013. The Jesse Lewis Choose Love Movement, Inc. was started to honor the founder's son, Jesse, with a mission to ensure that every child has access to Social and Emotional Learning (SEL) in their classrooms to help facilitate this teaching within their families, schools, and communities. *Choose Love for Schools* is a Pre-K through Grade 12 SEL program teaching children how to choose love in any circumstance. *Choose Love for Schools* is free and available online to all educators. The major sources of revenue are grants, donations, and fundraising. The major sources of expenses are program, salaries, and marketing expenses.

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting and Presentation** - The financial statements of Jesse Lewis Choose Love Movement, Inc. have been prepared in accordance with accounting principles generally accepted in the United States of America (GAAP). The organization is required to report information regarding its financial position according to the classes of net assets: net assets without restrictions and net assets with restrictions.

As a not-for-profit corporation, the organization's net assets are classified as net assets without donor restrictions and net assets with donor restrictions based upon the existence or absence of donor-imposed restrictions limiting the use of the contributed assets as follows:

**Net assets Without Donor Restrictions** - Net assets that are not subject to donor-imposed restrictions. These resources may be designated at the discretion of the Board of Directors.

**Net Assets With Donor Restrictions** - Net assets subject to the following donor-imposed stipulations: Some donor restrictions are temporary in nature or satisfied by the passage of time that either expire with the passage of time or can be fulfilled by the actions of Jesse Lewis Choose Love Movement, Inc. pursuant to those stipulations. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, donor restricted net assets are reclassified to net assets without donor restrictions. However, when restrictions on donor-restricted contributions are met in the same accounting period, such amounts are reported as part of net assets without donor restriction.

**Use of Estimates** - The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

**Cash Equivalents** - Cash equivalents are defined as highly liquid investments with original maturities of 90 days or less.

**Notes to Financial Statements**

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

**Investment Valuation and Income Recognition** - Investments in equity or debt securities are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on the trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Realized and unrealized gains include the organization's gains and losses on investments bought and sold as well as held during the year.

**Revenue Recognition** - Jesse Lewis Choose Love Movement, Inc. adopted Accounting Standards Update (ASU) No. 2018-08 *Not-for Profit Entities: Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made* (Topic 605), as management believes the standard improves the usefulness and understandability of its financial statements. Analysis of various provisions of this standard resulted in no significant changes in the way the organization recognizes revenue, and therefore no changes to the previously issued audited financial statements were required on a retrospective basis. The presentation and disclosure of revenue have been enhanced in accordance with the standard.

Contributions are recognized when cash, securities, or other assets; an unconditional promise to give; or a notification of a beneficial interest; is received. Conditional promises to give – that is, those with a measurable performance or other barrier and a right of return – are not recognized until the condition on which they depend have been met. Contributions receivable that are expected to be collected in more than one year are discounted to their present value.

Jesse Lewis Choose Love Movement, Inc. reports contributions of cash and other assets as restricted support if they are received with donor stipulations that limit their use. When a donor restriction expires, that is, when a stipulated time restriction ends, or purpose restriction is accomplished, net assets with restrictions are reclassified to net assets released from restrictions. Contributions received whose restrictions are met in the same period are recognized with net assets without restrictions.

The organization records special events revenue equal to the fair value of direct benefits to donors and contribution income for the excess received when the event takes place.

Contributed services are recognized in the financial statements if they enhance nonfinancial assets or require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation. General volunteer services do not meet these criteria for recognition.

Notes to Financial Statements

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

**Fixed Assets and Depreciation** - Additions and betterments with a cost greater than \$1,000 and with a useful life greater than 1 year are capitalized, while maintenance and repairs that do not improve or extend the useful lives of the respective assets are expensed. Equipment is carried at cost. Donated equipment is capitalized at fair value at the time of receipt. Depreciation is computed on the straight-line method over the estimated useful lives of 5 years. When assets are retired or otherwise disposed of, the cost and accumulated depreciation are removed from the accounts and any resulting gain or loss is reflected in income for the period.

**Income Taxes** - Jesse Lewis Choose Love Movement, Inc. is a not-for-profit organization and is exempt from federal and state income taxes as a public charity under Section 501(c)(3) of the Internal Revenue Code. Accordingly, no provision for income taxes has been made in the accompanying financial statements. The organization recognizes the benefits of income tax positions only if those positions are more likely than not of being sustained. Jesse Lewis Choose Love Movement, Inc. is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Management believes that it is no longer subject to income tax examinations for years prior to 2017.

**Cost Allocation** - The financial statements report certain categories of expenses that are attributable to more than one program or supporting function. Therefore, these expenses require allocation on a reasonable basis that is consistently applied. Jesse Lewis Choose Love Movement, Inc. allocates its expenses on a functional basis among its various program and support services. Expenses that can be identified with a specific program and support service are allocated directly according to their natural expenditure classification. Expenses that are common to several functions have been allocated based on management's estimate of the actual activities of the organization.

**Subsequent Events** - In preparing these financial statements, management has evaluated subsequent events through November 9, 2021, which represents the date the financial statements were available to be issued.

**NOTE 3 - LIQUIDITY AND AVAILABILITY OF FINANCIAL ASSETS**

The following reflects Jesse Lewis Choose Love Movement, Inc.'s financial assets at December 31, 2020 and 2019, reduced by amounts not available for general use because of contractual or donor-imposed restrictions within one-year of the balance sheet date.

**Notes to Financial Statements**

**NOTE 3 - LIQUIDITY AND AVAILABILITY OF FINANCIAL ASSETS (continued)**

*Liquidity Management*

Jesse Lewis Choose Love Movement, Inc. maintains a policy of structuring its financial assets to be available as its general expenditures, liabilities, and other obligations come due. In addition to financial assets available to meet general expenditures over the next 12 months, the organization anticipates sufficient revenue to cover general expenditures.

**NOTE 4 - SIGNIFICANT CONCENTRATIONS OF CREDIT AND MARKET RISK**

Jesse Lewis Choose Love Movement, Inc. maintains bank accounts at a local financial institution, which is insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. At times, during the year the balance in these accounts may exceed the federally insured limit. Jesse Lewis Choose Love Movement, Inc. has never experienced any losses on such accounts. The organization also uses an account with an online licensed money transmitter, which is not insured by the FDIC.

Credit risk for contribution revenues and accounts receivable is concentrated as well because substantially all the balances are from organizations or individuals located within the same geographic region.

Investments consist generally of investments in money funds, common stocks, and mutual funds. The value of these investments is subject to fluctuations due to general market conditions and interest rates.

**NOTE 5 - FAIR VALUE MEASUREMENTS**

The Financial Accounting Standards Board (“FASB”) Topic 820, under the FASB Accounting Standards Codification (“ASC”) defines fair value, establishes a framework for measuring fair value, and expands disclosures about fair value measurements. This standard provides a consistent definition of fair value, which focuses on an exit price between market participants in an orderly transaction. The standard also prioritizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that observable inputs be used when available.

Observable inputs are inputs that market participants would use in pricing the respective asset or liability based on market data obtained from independent sources. Unobservable inputs reflect assumptions that market participants would use in pricing the asset or liability based on the best information available in the circumstances. The hierarchy is categorized into three levels based on the transparency of inputs as follows:

- Level 1** - Quoted prices are available in active markets for identical assets or liabilities as of the report date. A quoted price for an identical asset or liability in an active market provides the most reliable fair value measurement because it is directly observable to the market.

**Notes to Financial Statements**

**NOTE 5 - FAIR VALUE MEASUREMENTS (continued)**

**Level 2** - Pricing inputs are other than quoted prices in active markets, which are either directly or indirectly observable as of the report date. The nature of these securities includes investments for which quoted prices are available but traded less frequently and investments that are fair valued using other securities, the parameters of which can be directly observed. Also included in Level 2 are investments measured using a net asset value (“NAV”) per share, or its equivalent, that may be redeemed at NAV at the date of the statement of financial position or in the near term, which the organization has determined to be within 90 days.

**Level 3** - Securities that have little to no pricing observability as of the report date. These securities are measured using management’s best estimate of fair value, where the inputs into the determination of fair value are not observable and require significant management judgment or estimation. Also included in Level 3 are investments measured using a NAV per share, or its equivalent, that can never be redeemed at NAV or for which redemption at NAV is uncertain due to lockup periods or other investment restrictions.

Inputs are used in applying the various valuation techniques and broadly refer to the assumptions that market participants use to make valuation decisions, including assumptions about risk. Inputs may include price information, volatility statistics, specific and broad credit data, liquidity statistics, and other factors. A financial instrument’s level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. However, the determination of what constitutes “observable” requires significant judgment by the organization.

The organization considers observable data to be market data that is readily available, regularly distributed or updated, reliable and verifiable, not proprietary, and provided by independent sources that are actively involved in the relevant market. The categorization of a financial instrument within the hierarchy is based upon the pricing transparency of the instrument and does not necessarily correspond to the organization’s perceived risk of that instrument.

The organization’s policy is to recognize transfers in and transfers out of levels at the end of the reporting period.

**Assets Measured at Fair-value on a Recurring Basis** - The following is a summary of the source of fair-value measurements for assets that are measured at fair-value on a recurring basis as of December 31:

**NOTE 8 - COVID-19 EFFECT**

The March 2020 COVID-19 outbreak caused economic interruptions through mandated and voluntary closings of businesses and organizations throughout the United States in the spring and summer of 2020. The extent of the impact of COVID-19 on Jesse Lewis Choose Love Movement, Inc. operational and financial performance will depend on certain developments, including the duration and spread of the outbreak and its variants, and its impact on donors, employees, and vendors, all of which at present cannot be determined. Accordingly, the extent to which COVID-19 may impact Jesse Lewis Choose Love Movement, Inc.'s financial position and changes in net assets and cash flows is still uncertain and the accompanying financial statements include no adjustments relating to the effects of this pandemic.

In March 2020, the federal government passed the Coronavirus Aid, Relief, and Economic Security (CARES) Act which provided loan funds to small businesses to maintain payroll, health benefits and certain other overhead expenses. In April 2020, Jesse Lewis Choose Love Movement, Inc. received \$93,250 of Payroll Protection Program funds under the CARES Act. The organization has recorded the funds received in the Statement of Activities as it has complied with the required use of the funds and believes that no right of repayment exists. Forgiveness of this loan was received in December 2020.

**NOTE 9 - SUBSEQUENT EVENT**

In April 2020, the Jesse Lewis Choose Love Movement, Inc. was made aware that they have received an interest in the Elizabeth R. Meisels Fund. The fund is an endowed designated fund that will support the Jesse Lewis Choose Love Foundation in perpetuity. Grants from designated funds are made annually during the first quarter of each year. The first grant was received in March of 2021. The funds may be used for operations or whatever the organization chooses.
